

Vivekananda Community Foundation

Social Empowerment for a Transformation

Who We Are..

Vivekananda Community Foundation is a dedicated non-governmental organization committed to fostering positive change in our communities. Inspired by the teachings of Swami Vivekananda, we strive to **Empower individuals** and promote **sustainable development through six key projects** that address various social, educational, and environmental challenges.

Our initiatives focus on **uplifting marginalized communities, enhancing access to education, promoting health and well-being, and encouraging environmental sustainability.**

Founded By
Mr.K.Pratheeswaran,
Executive Director,

Village Empowerment for Transformation

Our village development program **aims to empower villages** by addressing the root causes of poverty and fostering sustainable growth. **Through a combination of skill development workshops, and educational initiatives.** By engaging local leaders and residents in the planning process, we will ensure that the initiatives are tailored to their specific needs and resources. Our ultimate goal is to uplift these villages, enabling them to break free from the poverty line and build a brighter, more resilient future.
